

Making the Link - Community Transport in the Pembroke / Pembroke Dock area

► Community Minibus in the Pembroke area ►

Last year Pembrokeshire Association of Community Transport Organisations (PACTO) won a grant from the Big Lottery Fund for their Community Transport Links Project. One of the priority areas is developing the use of the existing minibus based in the Pembroke / Pembroke Dock area. The minibus is operated by Pembrokeshire Voluntary Transport (PVT), whose aim is to improve the quality of life for local people by offering safe, accessible and affordable transport to community groups, voluntary organisations, and residents associations.

It is available for hire by all community groups in the area, and offers accessible transport to help anyone who finds it difficult to get to sport and learning, to meetings, venues and events. It can help local people to get involved in community activities such as day trips, events and competitions both in Pembrokeshire and further afield.

Pembrokeshire Voluntary Transport is looking for people from the community to become voluntary drivers. This is particularly important as this is the community's vehicle – your minibus - we really do need input from local people to make it happen.

The minibus seats 12 people; it has disabled access and can accommodate wheelchairs.

Your organisation will need to join PVT to use the minibus - there is a small affiliation fee (currently £5). Use of the minibus costs £16 per hire, which includes the first 20 miles; 65p per mile thereafter – these figures include fuel. Concessions may be available to groups whose members are mainly bus pass holders. It is best if you can provide your own driver, who will be required to do some basic training (the Minibus Driver Awareness Scheme—MiDAS) before driving the bus. If you are unable to provide a driver, PVT may be able to put you in touch with someone who can help.

Collect the bus from
● Pembroke Dock on Saturdays, Sundays, Mondays and Tuesdays
