

Pembroke Can Make a Difference!

School Programme:

- Take part in the competition for the **2010 Calendar** pictures – draw or paint a picture on an ecological theme – reducing waste – saving energy – recycling materials – using renewable energy – saving water – buying local food or growing your own – traveling less
- Complete the **questionnaire** to establish where they are now – a special questionnaire is being adapted for schools
- Take up our **Monthly Messages** to be launched on World Environment Day – 5th June 2009. We will keep you notified and the messages will be on our website.
- Appoint a **Green Champion** – a link person
- Children and classes to keep **diaries** to record the changes they are making – these can be video, audio or on-line as a blog or web page. Or they can be hand written in a book or file.
- Sign a **pledge card** to commit the school/class or child to making changes.
- Enter for a **Green Oscar** towards the end of the project
